

BEDSIDE AND/OR SUPPLEMENTAL INSTRUCTION

For the purpose of complying with Policy No. 6173, the following regulations will be adhered to regarding bedside and supplemental instruction:

1. Building principals shall develop a list of his/her teaching staff members who wish to provide bedside and/or supplemental instruction to students within this district.
2. Principals shall select bedside and/or supplemental instructors from the list of volunteers compiled from his/her teaching staff. The teachers selected must be appropriately certified to instruct the pupil in need.
3. Principals may select an appropriately certified teaching staff member from another school in the Brick Township System who volunteered for bedside and/or supplemental instruction in cooperation with the principal of said other school.
4. In the event volunteers cannot be secured for bedside and/or supplemental instruction within this district, the principal shall assign his/her teaching staff members within their certified areas bedside and/or supplemental instruction to meet students needs. The rate of pay shall be the amount listed in Schedule F of the negotiated Master Agreement between the Board and bargaining unit. All such assignments shall be made by the building principal on a fair and rotating basis.
5. In the event a pupil needs bedside and/or supplemental instruction outside the district, the district shall have the option of using appropriately certified staff volunteers at the negotiated rate and/or contract with appropriately certified outside instructors at the rate of pay required.
