The Board directs the Superintendent of Schools to develop and implement a systematic short-range and long-range plan for the continuing assessment of the progress of the educational program toward the goals established by the district. To this end, he/she shall recommend tests and methods indicated by his/her best professional judgment.

The Board reserves the right to review each test and to approve those that serve a legitimate purpose without infringing upon the personal rights' of the pupils or their parents/guardians.

The Superintendent of Schools using district-wide data may release the results of any evaluation. Parents/guardians may obtain an explanation of the results of their child's test from qualified school personnel.

The Superintendent of Schools shall annually recommend improvements in the program and staff based upon the evaluation of the district's program.

The Board will cooperate with the commissioner in the conduct of such statewide assessment programs as are required by the state Board of Education and shall use the data gained thereby toward the improvement of the schools of this district.
