as per the agreement issued by the Brick Board of Education November 22, 2010 and all current renewals with regarding DRG's appointment of Architect of Record.

During the Design Phase, the Architect shall review the Owner's scope of work, budget and schedule and reach an understanding with the Owner of the Project requirements. Based on the approved Project requirements, the Architect shall develop a design. Upon the Owner's approval of the design, the Architect shall prepare Construction Documents indicating requirements for construction of the Project and shall coordinate its services with any consulting services the Owner provides. The Architect shall assist the Owner in filing documents required for the approval of governmental authorities, in obtaining proposals and in awarding contracts for construction.

During the Construction Phase, the Architect shall act as the Owner's representative and provide administration of the Contract between the Owner and Contractor. The extent of the Architect's authority and responsibility during construction is described in AIA Document A105™-2007, Standard Form of Agreement Between Owner and Contractor for a Residential or Small Commercial Project. Generally, the Architect's services during construction include interpreting the Contract Documents, reviewing the Contractor's submittals, visiting the site, reviewing and certifying payments, and rejecting nonconforming Work.

## ARTICLE 2 OWNER'S RESPONSIBILITIES

The Owner shall provide full information about the objectives, schedule, constraints and existing conditions of the Project, and shall establish a budget that includes reasonable contingencies and meets the Project requirements. The Owner shall provide decisions and furnish required information as expeditiously as necessary for the orderly progress of the Project. The Architect shall be entitled to rely on the accuracy and completeness of the Owner's information. The Owner shall furnish consulting services not provided by the Architect, but required for the Project, such as surveying, which shall include property boundaries, topography, utilities, and wetlands information; geotechnical engineering; and environmental testing services. The Owner shall employ a Contractor, experienced in the type of Project to be constructed, to perform the construction Work and to provide price information.

## ARTICLE 3 USE OF DOCUMENTS

Drawings, specifications and other documents prepared by the Architect are instruments of the Architect's service and are for the Owner's use solely with respect to this Project. The Architect shall retain all common law, statutory and other reserved rights, including the copyright. Upon completion of the Project or termination of this Agreement, the Owner's right to use the instruments of service shall cease. When transmitting copyright-protected information for use on the Project, the transmitting party represents that it is either the copyright owner of the information, or has permission from the copyright owner to transmit the information for its use on the Project.

## ARTICLE 4 TERMINATION, SUSPENSION OR ABANDONMENT

Either the Architect or the Owner may terminate this Agreement after giving no less than seven days' written notice if the Project is suspended for more than 90 days, or if the other party substantially fails to perform in accordance with the terms of this Agreement.

## ARTICLE 5 MISCELLANEOUS PROVISIONS

This Agreement shall be governed by the law of the County of Ocean, State of New Jersey. Terms in this Agreement shall have the same meaning as those in AIA Document A105-2007, Standard Form of Agreement Between Owner

Init.

and Contractor for a Residential or Small Commercial Project. Neither party to this Agreement shall assign the contract as a whole without written consent of the other.

Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or the Architect.

The Architect and Architect's consultants shall have no responsibility for the identification, discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials in any form at the Project site.

**ARTICLE 6 PAYMENTS AND COMPENSATION TO THE ARCHITECT**

The Architect's Compensation shall be:

~~One Hundred and Forty Thousand, Five Hundred and Eight Dollars, and Ninety Cents (\$140,508.90)~~

*(Paragraphs deleted)*

At the request of the Owner, the Architect shall provide services not included in Article 1 for additional compensation. Such services may include providing or coordinating services of consultants not identified in Article 1; revisions due to changes in the scope, quality or budget; evaluating changes in the Work and Contractors' requests for substitutions of materials or systems.

**ARTICLE 7 OTHER PROVISIONS**
