

## **Ocean County Violence Prevention Project of St. Francis Sexual Abuse & Assault Program**

### **Memorandum of Agreement**

St. Francis Sexual Abuse and Assault program has developed the Ocean County Violence Prevention Project where partners have taken an active role in beginning the work of preventing sexual violence in Ocean County. The Coalition created a prevention plan to address sexual violence and implement a bystander intervention. The Strategy chosen by the Coalition is the Green Dot Strategy to address Power Based Personal Violence (sexual assault, partner violence, child abuse, and stalking).

The goal of the Coalition is to provide a bystander intervention strategy to encourage behavioral changes in our communities to begin the work towards the elimination of Power Based Personal Violence against all people.

**Mission Statement:** Through collaborative partnership we are committed to creating social change for the prevention of partner violence, sexual assault, and child abuse by promoting education and awareness of bystander intervention.
