

2014-2015 Progress Targets Action Plan Assurances*

County Code: 29	LEA Code: 0530
County Code: Ocean County	LEA Name: Brick Board of Education

New Jersey's Elementary and Secondary Education Act (ESEA) Flexibility Request requires that New Jersey implement an accountability system with differentiated recognitions, interventions and supports. Section 2F of the Request charges the New Jersey Department of Education (NJDOE) with providing incentives and supports to schools that are not classified as a Priority or Focus School. To appropriately identify the supports needed for schools that did not meet their 2014 progress targets and/or graduation rate targets, districts must document their actions to address the needs of student populations that did not meet their proficiency targets. The district should use the attached template to summarize their schools' actions during the 2014-2015 school year to provide interventions that address the needs of the specific student populations. Use additional forms, as needed.

The district must review and sign the Progress Targets Action Plan assurances and fax a signed copy of this page to its local County Office of Education.

The signature of the district's Chief School Administrator and President of the Board of Education below assures that the district:

(For all schools)

- Documented each school's intervention efforts for student subpopulations that did not meet their 2014 progress targets and/or graduation rate targets in the Progress Targets Action Plan;
- Reviewed each school's 2014 ESEA Waiver School Profile and ESEA Waiver Annual Progress Targets located on the NJDOE's web page at <http://www.nj.gov/education/title1/accountability/progress/14/pw/> with the appropriate stakeholders.
