SUBSTITUTE TEACHERS

The superintendent shall make provision to employ the services of substitute teachers in order to maintain the effective operation of the educational program.

The Brick Township Board of Education shall approve potential substitute personnel and the positions in which they may substitute.

Teacher substitutes must have at least a valid substitute teaching credential issued by the Executive County Superintendent, and preferably hold a degree.

Any substitute teacher shall be entitled only to the wages approved by the board on a per diem basis, and to no other benefits.

Persons employed as aides may not perform as substitutes for professional employees unless they are board-approved substitute teachers.

The superintendent shall recruit, screen and recommend to the board candidates for employment as instructional substitutes. He/she shall:

- A. Develop procedures for the assignment of substitutes;
- B. Develop methods of evaluating substitute teachers and recommend the retention on the board's approved substitute list of those substitutes who have performed their duties satisfactorily.

Vacant Positions and Use of Substitutes

It is the goal of the district to provide continuity in the educational program by employing permanent qualified teaching staff. When a position in the district is vacant, the district shall observe the limits as provided for in law, in the employment of substitute teachers.

Definitions

- A. A *Substitute Credential* allows the holder to temporarily perform the duties of a fully licensed and regularly employed teacher.
- B. A *Certificate of Eligibility (CE)* is a credential with lifetime validity issued to persons who have completed a degree program of academic study and the applicable test requirements for certification. The CE permits the applicant to seek and accept employment in positions requiring certification through the State Alternate Route Program.
- C. A *Certificate of Eligibility with Advanced Standing (CEAS)* is a credential with lifetime validity issued to persons who have completed a degree program of academic study and the applicable test requirements and traditional professional preparation programs for certification. The CEAS permits the applicant to seek and accept employment in positions requiring certification.

Limits on Filling Vacant Teaching Positions with Substitutes

A vacant teaching position shall not be filled in any school year by one or more individuals:

- A. Holding a substitute credential issued by the State Board of Education for a total amount of time exceeding 20 school days ([N.J.S.A. 18A:16-1.1a](#));
- B. Employed as a substitute teacher, holding a certificate of eligibility (CE) or a certificate of eligibility with advanced standing (CEAS) issued by the State Board of Examiners and *working in an area authorized by their credentials* for a total amount of time exceeding 60 school days ([N.J.S.A. 18A:16-1.1b](#)). If the substitute is employed more than 60 days, compensation shall be adjusted on a pro-rata basis, consistent with the salary provided to a teacher with similar credentials employed by the district;
- C. Employed as a substitute teacher, holding a certificate of eligibility (CE) or a certificate of eligibility with advanced standing (CEAS) issued by the State Board of Examiners and *working in an area not authorized by their credentials* for a total amount of time exceeding 20 school days ([N.J.S.A. 18A:16-1.1c](#));
