Now, therefore, in consideration of the covenants herein contained, the parties agree as follows:

1. The **Sending District** agrees to purchase from the **Approved School** the educational services described in the pupil's individualized education program for (**see attachment A**) a resident pupil from the **Sending District**. The **Approved School** agrees to provide the educational services described in the pupil's individualized education program to (**see attachment A**) in accordance with the applicable New Jersey Statutes and the rules and regulations of the State Board of Education.
2. This agreement shall be in effect for the **2018-2019** School Year. The educational services shall commence on January 2, 2019. Therefore, the total number of billable days will be 220.
3. Under the New Jersey Special Education Medicaid Initiative (SEMI) Program, the **Sending District** shall bill Medicaid for the related services that the **Approved School** provides to pupils pursuant to this **Agreement** and in accordance with each pupil's individualized education program. The **Sending District** and **Approved School** agree to comply with all the requirements promulgated by the Commissioner of Education and the State Board of Education, as applicable.
4. Tuition charges, as a part of this **Agreement**, as well as the payment of same, shall be made in accordance with the applicable New Jersey Statutes and the rules and regulations of the State Board of Education. Complete 4A for any time period a pupil is enrolled during the July through June school year and, if applicable, 4B for extraordinary services for any time period a pupil is enrolled during the July through June school year.
 - A. **July to June School Year** - The **Sending District** agrees to pay the **Approved School** each month a tentative tuition charge based upon a per diem rate of (**see attachment A**) for the total number of days such pupil was enrolled during the month. The per diem rate was

determined by dividing the tentative tuition rate for the school year of (see attachment A) by the estimated number of days school will be in session, but not less than 220 days (July through June) of (see attachment A) and rounding to the nearest two decimal places. For July through August, if applicable, such pupil will be enrolled for (see attachment A) days for a total tentative tuition charge of (see attachment A), and/or for September through June, if applicable, such pupil will be enrolled for (see attachment A) days for a total tentative tuition charge of (see attachment A). The July through June total tentative tuition charge will be (see attachment A). For audit purposes, the number of days the **Approved School** was actually in session from July through June will be used to determine the per diem rate.

- B. **Extraordinary Services** - the **Sending District** agrees to pay the **Approved School** each month a tentative service charge for extraordinary services based upon a per diem rate of (see attachment A) for the total number of days such pupil was enrolled during the month the service was provided. The per diem rate was determined by dividing the estimated cost of the services for the school year (July through June) of (see attachment A) by the estimated number of days school will be in session (July through June) of (see attachment A) and rounding to the nearest two decimal places. For July through August, if applicable, such pupil will be enrolled for (see attachment A) days for a total tentative service charge of (see attachment A), and/or for September through June, if applicable, such pupil will be enrolled for (see attachment A) days for a total tentative service charge of (see attachment A). The July through June total tentative-service charge will be (see attachment A). For audit purposes, the number of days the **Approved School** was actually in session from July through June will be used to determine the per diem rate.
- C. **Payment Options** - In accordance with N.J.A.C. 6A:23A-18.3(h), the **Approved School** has the option of billing in accordance with N.J.A.C. 6A:23A-18.3(h)3i or N.J.A.C. 6A:23A-18.3(h)3ii. The **Approved School** shall use the same option for all students enrolled in the **Approved School**. The option chosen is marked with an "X":

SPECIAL NOTE: All educational fees for students with Districts of Residence are paid directly to the DCF Office of Education by the Department of Education making the selection of a payment option unnecessary.

N/A Option 1. In accordance with N.J.A.C. 6A:23A-18.3(h)3i, the **Sending District** board of education shall pay the **Approved School** for the disabled the tentative tuition charge no later than the first day of each month prior to the services being rendered. For a student already enrolled in the **Approved School**, the **Sending District** board of education shall pay the tentative tuition charge by the first day of the second month after services begin. A **Sending District** board of education that fails to pay tuition by the 60th day after a complete invoice for services rendered is submitted may be charged interest by the **Approved School** calculated at the rate of one percent per month on the unpaid balance.

For a student enrolled after the first of the month, the **Sending District** board of education shall pay the tentative tuition charge for the first two months of enrollment no later than 60 days after a complete invoice for services rendered is submitted. Payment in subsequent months is due by the first of each month prior to the services being rendered. A **Sending District** board of education that fails to pay tuition by the 60th day after a complete invoice for services rendered is submitted may be charged interest by the **Approved School** calculated at the rate of one percent per month on the unpaid balance.

N/A Option 2. In accordance with N.J.A.C. 6A:23A-18.3(h)3ii, the **Sending District** board of education shall pay the **Approved School** the tentative tuition charge no later than 60 days after a complete invoice for services rendered is submitted. The **Sending District** board of education that fails to pay tuition by the 60th day after a complete invoice for services rendered is submitted may be charged interest by the **Approved School** calculated at the rate of one percent per month on the unpaid balance.

5. The **Sending District** agrees to provide the **Approved School** with a monthly tuition bill based on a per diem rate times the number of enrolled days, and a monthly report showing this pupil's attendance. Monthly tuition bills shall include appropriate pupil identification and the total number of days each pupil was enrolled during the month.
6. The **Approved School** agrees to record this pupil's attendance in a public school register as required by the rules and regulations of the State Board of Education.
7. In order to verify the certified actual cost per pupil and final tuition rate charged per pupil, the **Approved School** agrees to have filed with the Department of Education postmarked on or before November 1 the school's certified audited financial statements prepared in the required form by a registered municipal accountant of New Jersey or a certified public accountant of New Jersey who shall hold an uncanceled registration license as a public school accountant for New Jersey. The school's certified audited financial statements shall be based on the July 1 to June 30 school year regardless of the fiscal year of the school. (N.J.A.C. 6A:23A-18.10)
8. The annual certified audited financial statements shall reflect a certified actual cost per pupil and a final tuition rate charged per pupil for the July through June school year in accordance with N.J.A.C. 6A:23A-18.1 et seq. If applicable, the school's certified audited financial statements shall also reflect the certified actual cost for the extraordinary service and the final tuition rate charged for the extraordinary service. The certified actual cost per pupil and a final tuition rate charged per pupil may be based on one tuition rate per school location for the school year or separate tuition rates by class type by school location for the school year, if approved in writing by the Department prior to July 1, 2017, in accordance with N.J.A.C. 6A:23A-18.3(b). In accordance with N.J.A.C. 6A:23A-18.3(a)2, if the **Approved School** proposes to charge a final tuition rate in excess of 10 percent of the tentative tuition rate charged, the **Approved School** shall notify each **Sending District** and the Commissioner, or his or her designee, that such increase will be charged and the reason for the increase on or before the applicable dates. The notification shall contain a detailed statement outlining changing costs and/or enrollment, the reasons for the changes, including management's response to same, and the reason(s) the changes are not offset by decreases in costs. If the **Approved School** fails to comply, the school may only charge a 10 percent increase.
9. If the tentative tuition rate established by this contractual agreement is greater than the final tuition rate charged, the **Approved School** shall return to the **Sending District** the amount by which the tentative tuition charged for this pupil exceeded the final tuition rate charged multiplied by this pupil's actual average daily enrollment for the July through June school year and, if applicable, for the extraordinary services, in accordance with N.J.A.C. 6A:23A-18.3(l). Average daily enrollment means the sum of the days present and absent divided by the number of days the school was actually in session.

In the event it becomes necessary the **Approved School** shall pay the **Sending District** the full amount owed as a result of the school's certified audited financial statements no later than June 30 of the school year in which the audit is received or no later than 30 days after an appeal on an audit is finally resolved, whichever is applicable in accordance with N.J.A.C. 6A:23A-18.3(l). The

Approved School has the option to pay such amount or credit such amount in a subsequent tuition bill.

10. If the tentative tuition rate established by this contractual agreement is less than the final tuition rate charged the **Approved School** may charge the **Sending District** all or part of the amount by which the final tuition rate charged multiplied by this pupil's actual average daily enrollment for the July through June school year, and if applicable for the extraordinary services exceeded the tentative tuition charged for this pupil, in accordance with N.J.A.C. 6A:23A-18.3(m). Average daily enrollment means the sum of the days present and absent divided by the number of days the school was actually in session.

In the event it becomes necessary the **Sending District** agrees to pay the **Approved School** the amount owed as a result of an adjustment based upon the school's certified audited financial statements in accordance with the payment schedule shown below in 10a. Full payment must be made on a mutually agreed upon date during the second school year following the year for which the actual cost per student is certified in accordance with N.J.A.C. 6A:23A-18.3(m).

A. The amount owed is to be paid as follows (insert a date between July 1 and June 30):

paid in full by June 30th of the following school year

11. This **Agreement** may be terminated by the **Approved School** in accordance with N.J.A.C. 6A:14-7.7(a) or by the **Sending District** in accordance with N.J.A.C. 6A:14-7.7(b). The **Sending District** shall convene an IEP meeting according to N.J.A.C. 6A:14-2.3. Written notice shall be provided to the parent and/or guardian of the affected student pursuant to N.J.A.C. 6A:14-2.3. The student may be terminated from the current placement after the **Sending District** has provided written notice to the parents according to N.J.A.C. 6A:14-2.3. At or upon the conclusion of the IEP meeting, the **Sending District** and the **Approved School** shall mutually agree to a termination date. If the parties cannot mutually agree to a termination date, the contract shall terminate on the 16th day after written notice of termination was provided to the parents pursuant to N.J.A.C. 6A:14-2.3 provided, however, that the parents have not exercised their rights to disapprove the termination of the services at the **Approved School**. If the parent(s) and/or guardian (s) exercise their right to disapprove the termination of services at the **Approved School** by requesting mediation or a due process hearing, then the terms and conditions of the contract shall remain in full force and effect, unless the parties otherwise agree or the matter is resolved. The **Approved School** may bill the **Sending District** for the number of enrolled days the student is enrolled after the date of the IEP meeting up to and including the date of termination.

The **Approved School** upon five consecutive daily absences by this pupil agrees to notify the **Sending District** in writing, so that the **Sending District** may investigate the enrollment status of this pupil. If the **Sending District** or the **Approved School** discovers enrollment has ceased due to the actions of the parent(s)/guardian(s) or pupil other than in accordance with N.J.A.C. 6A:14-7.7, the **Sending District** shall be responsible for tuition for the number of enrolled days within the fifteen calendar day notification period after written notification of termination has been given to the **Approved School** and the parent(s)/guardian(s) pursuant to N.J.A.C. 6A:14-2.3. If the **Approved School** does not notify the **Sending District** upon five consecutive daily absences by this pupil, the **Approved School** waives their right to tuition beyond the five consecutive daily absences, if the pupil does not return.

12. In the event that any dispute arises out of the **Agreement**, the parties will seek to resolve the dispute as expeditiously as possible. Except as may be set forth herein, the interests of this pupil shall be of the foremost concern in resolving such disputes.

13. In the event the approved status of the **Approved School** is discontinued by the Department of Education, this **Agreement** shall be terminated. The **Sending District** shall be responsible for tuition for the days the pupil is enrolled.
14. The **Approved School** agrees not to assign the services to be provided under this contract or any portion thereof to any other entity. The language contained in section #16 which is required in accordance with N.J.S.A. 10:5-31 and N.J.A.C. 17:27-5.2 which includes the term "subcontractor" does not allow the **Approved School** to assign the services.
