MOTOR VEHICLES

It is the policy of the Board that students are not permitted to drive motor vehicles to and from school unless official permission has been granted by the administration.

The Board shall permit students to park their motor vehicles in assigned parking areas on a priority basis established by the Board of Education. All motorized vehicles shall be registered with the office of the school principal. Motor vehicles shall not be improperly used as a depository for substances or objects which are illegal or in violation of school rules or which constitute a threat to the health, safety and welfare of the occupants of the school building. In order to protect the school community from harm and to cooperate with the municipal or state authorities, a school official having reasonable grounds to suspect that a student has violated or is violating either the law of the State or the rules of the school, by depositing substances or objects which are illegal or otherwise violate school rules or which constitute a threat to the health, safety and/or welfare of the occupants of the school building shall enter the motor vehicle to inspect same. Students are not permitted to sit in parked motor vehicles or congregate in the parking area either prior to school during the school day, or otherwise congregate in the parking area during the school day or prior to school opening or after closing. Notwithstanding anything to the contrary herein, the Board declares that the designated parking area shall constitute public places and shall conduct inspections at any time of any motor vehicle in said public without any reason, cause or notice. Students shall not have an expectation of privacy in their motor vehicles when the school premises. Students shall be informed of this policy when registering their motor vehicles. Parents shall also be informed of this policy. The Superintendent shall promulgate regulations to implement this policy.
