To Whom It May Concern:

The Brick Memorial HS Football Parents Club (PMFPC) will be donating over \$3000.00 in materials that have been provided by Woodhaven Lumber and Stephan Whitman Roofing & Siding to refurbish the Press Box.

The BMFPC along with Adam Rice owner/operator of DBA Essentials Coatings will not hold the Brick Schools reasonable for any injury that can occur to the volunteer during refurbishment of the Press Box.

The BMFPC has been told by Tom Liming that the Press Box is structurally sound and that the BMFPC nor Adam Rice owner/operator of DBA Essential Coatings will be held responsible/liable for any property damage, bodily harm or serious injury inflicted on person(s) resulting from the refurbishment of the Press Box during/after all work is completed. Brick Schools take full responsibility for any potential injury, damage...etc. Once work is completed all liability will be the sole responsibility of Brick Schools/BOE/Township/Inspectors. Therefore, alleviating BMFPC and Adam Rice owner/operator of DBA Essentials Coatings of all legal/financial responsibility.

Sincerely,

Karen Rochinski  
BMFPC President
